## RISE Family Program:

### An In-Home Prevention & Treatment Program

Inspire to Rise, Inc. is focused on holistically helping make the community a little better, happier, and healthier place. The ITR RISE Family Team focuses on immediate screening, assessment, diagnosis, intervention or treatment, and service coordination of families affected by Substance Abuse and/or Mental Health issues and involved in varying stages of the child-welfare system.

### RISE Program Services:

Offers comprehensive, in-home person-centered, evidence-based services dedicated to resource connection, treatment, intervention, education, and overall wellness.

### Our Focus:

- ❑ Encourage a holistic approach to treatment to address an individual's unique needs, using the recovery-oriented system of care model.
- ❑ Offering Individualized and family sessions to meet your needs.
- ❑ Committed to removing barriers by offering services in-home.
- ❑ Promoting individual recovery and resilience, so you can be an active participant in life, family, and in your community.
