Welcome to RISE!

The Rapid Integrated Services Engagement (RISE) Program

Inspire to Rise, Inc. is focused on holistically helping make the community a little better, happier, and healthier place. The ITR RISE Team focuses on immediate screening, assessment, diagnosis, intervention or treatment, and service coordination of individuals and families affected by substance abuse and co-occurring disorders.

RISE Program Services:

Offers comprehensive, person-centered, evidence-based services dedicated to resource connection, education, treatment, intervention, and overall wellness.

Our Focus:

- ❑ Endorse the recovery-oriented system of care model; address diminished protective capacities; and holistically treat an individual's unique needs.
- ❑ Offering individualized and open group sessions, from 24 to 46 sessions.
- ❑ Committed to removing barriers by offering services at the ITR Community Center, in the community, in-home, jail, and/or via telehealth.
- ❑ Promote individual recovery and resilience, so the individual can be an active participant in their life, family, and in the community.
