**Reporting Guidelines**

- Facilities with community beds will report community patient days
- Facilities with sheltered beds will report CCRC patient days
- Facilities with sheltered beds with a 5-year extension will report CCRC and NON-CCRC patient Days
- Facilities with community beds and sheltered beds will report community patient days and CCRC days
- Facilities with community beds, sheltered beds, and a sheltered bed extension will report community, CCRC, and NON-CCRC patient days
- NON-CCRC days ARE NOT community patient days

\*Continuing Care Retirement Communities (CCRCs) are licensed with sheltered beds that are to be used for residents of their retirement communities only

\*When given sheltered bed extensions from the Certificate of Need unit, these facilities are authorized to admit patients who do not reside at their retirement communities using a set number of beds for 5 year periods

\*The beds being used to admit non-residents are still licensed as sheltered beds and are not to be listed in the community section if a facility has community beds and a portion of sheltered beds being used to admit non-residents (only licensed community beds and the occupancy that occurs in community beds is factored into need equations)

Below is a listing of all facilities with sheltered beds at CCRC facilities, the number of beds they are allowed to use to admit non-residents, and the time period of their extensions

<b>County</b>	<b>Facility</b>	<b>Total # of Sheltered Beds</b>	<b># of beds approved through extension</b>	<b>Extension Period</b>
