

Flagler & Volusia Counties Community Health Needs Assessment (CHNA)

Your Voice Matters!

The 2024 Collaborative Community Health Needs Assessment (CHNA) survey is a vital opportunity for Flagler and Volusia County residents aged 18 and older to voice their opinions on healthcare and the quality of life. Your input will directly influence and guide future health improvement plans in the counties.

Please take just 10 minutes to complete the survey.
Your responses are confidential.
